PEACE

TYPE	White body ceramic tile
APPLICATION	Indoors Wall/Shower Wall
DESCRIPTION*	Argila Peace stands out for its restful neutral colours, perfect for creating wall surfaces with an elegant appearance. A collection inspired by brickwork, it combines an uneven surface of traditional tiles with a matt finish that lends them a more contemporary design.
PRODUCT INSTALLATION	It is recommended for the product to be installed by a qualified professional. We do not recommend the use of adhesives based on epoxy resin. Read carefully instructions set by the manufacturer of the adhesive used.
PRODUCT CARE	For initial and daily cleaning the use of a damp cloth and mild soap is recommended. Avoid using abrasive and acidic cleaning products.
* NOTE	To achieve the visual aspect of the product and given the artisanal procedure for production and the natural stone used, pieces can represent variation in size, texture, design and shade. This is done deliberately to give the product a unique personality and unrepeatable characteristics.
