TYPE	Glazed Porcelain	APPLICATION	Indoors / Outdoors / Wall / Floor
DESCRIPTION	<p>Inspired by traditional cement tiles, takes its name from the capital of the island of Cuba, where these tiles were traditionally used in many buildings. HAVANA comes in a 22.3x22.3cm (8.5"x8.5") format in different shades of white, grey, blue and green, with geometrical shapes or other motifs that can be combined to create continuous patterns. A new vision of cement tiles, with a myriad of subtle nuances.</p>		
PRODUCT INSTALLATION	<p>It is recommended for the product to be installed by a qualified professional. We do not recommend the use of adhesives based on epoxy resin. Read carefully instructions set by the manufacturer of the adhesive used.</p>		
PRODUCT CARE	<p>For initial and daily cleaning the use of a damp cloth and mild soap is recommended. Avoid using abrasive and acidic cleaning products.</p>		
NOTE	<p>To achieve the visual aspect of the product and given the artisanal procedure for production and raw materials used, pieces can represent variation in size, texture, design and shade. This is done deliberately to give the product a unique personality and unrepeatable characteristics.</p>
